Decorative Modular Panels

Hardwood Composite
Exterior & Interior Use

outdecousa.com

Versatility

Endless options for decorative and practical applications that provide modular structure and privacy.

Durability

Sturdy 100% Australian hardwood, protected by Decoshield™, with a 10-year warranty.

Workability

Modular, pre-cut, ready-to-install quickly and easily in DIY and professional projects.

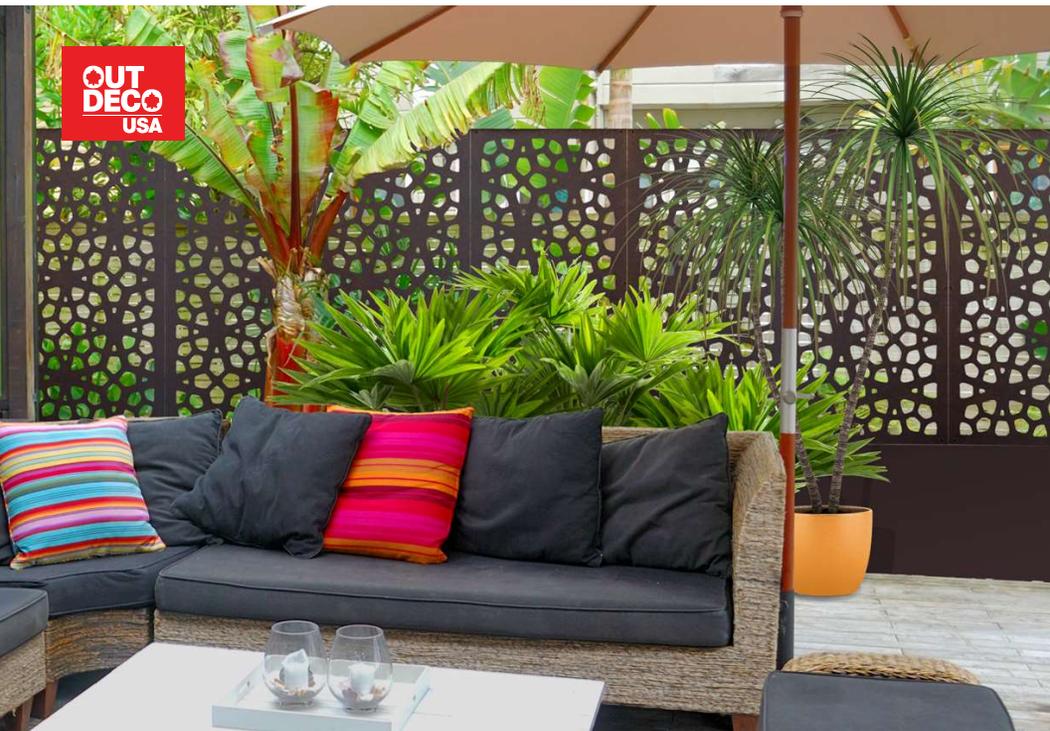

Sustainability

Responsibly harvested, carbon-neutral-milled timber with no synthetic additives.

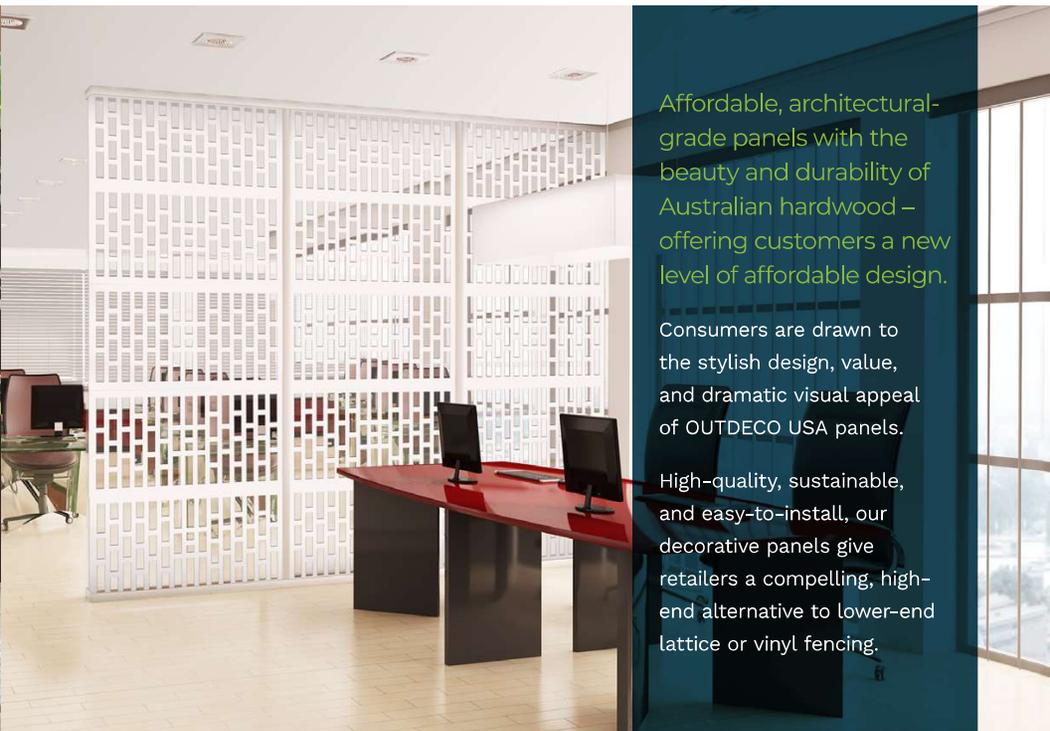

Designability

Unique and distinctive patterns that create or enhance architectural features with the warmth and feel of timber.

Affordable, architectural-grade panels with the beauty and durability of Australian hardwood – offering customers a new level of affordable design.

Consumers are drawn to the stylish design, value, and dramatic visual appeal of OUTDECO USA panels.

High-quality, sustainable, and easy-to-install, our decorative panels give retailers a compelling, high-end alternative to lower-end lattice or vinyl fencing.

Versatility

- A compelling high-end product that can enhance architecture, refresh and upgrade living spaces, and provide privacy
- A decorative array of stylish and practical solutions for outdoor and indoor applications
- Mount on gates, standard fencing, wall surfaces, and free-standing frames
- Surround private environments
- Conceal trash bins or pool and A/C equipment
- Trim perimeters of decks, balconies, planters, and benches
- Create living garden walls
- Section interior rooms for arrangement or privacy
- Mount as wall art and focal points

Designability

- A myriad of decorative designs to suit any taste or style sensibility
- 4 sizes and 30 decorative patterns
- Offered in brown and black
- Natural timber look and feel
- Add paint or stain to complement aesthetics
- Install lighting behind panels to add depth and festive accents

Sustainability

- Responsibly harvested timber
- No synthetic additives
- Carbon-neutral mill

Durability

- 100% Australian hardwood and Decoshield™ protection define our panels' durability
- Durable, sustainable hardwood composite made of 97% wood fiber
- Resistant to water, mold, mildew, termites
- Patterns are router-cut, not molded
- 10-Year Limited Warranty

Panels with Decoshield™ protective finish

10-Year Limited Warranty

OUTDECO USA panels carry a Material Warranty of 10 years. 10-YEAR WARRANTY covers OUTDECO USA panels against material rot, bloat, or delamination under normal outdoor atmospheric and moisture "run-off" conditions. Installations are the responsibility of the installer. Manufacturer's installation guidelines must be followed for the warranty to be valid. OUTDECO USA's hardwood panels must be mounted in a vertical plane, and must not be submerged or in constant contact with water, soil or chemicals. Material Warranty valid within USA and Canada. The benefits to the consumer given by this warranty are in addition to and not in conflict with all other rights and remedies of the consumer under a law in relation to the goods or services to which the warranty relates.

Made in Australia
