WARRANTY AND SERVICE INFORMATION

Coyote Outdoor warrants to the original purchaser at the original site of delivery with proof of purchase of each outdoor gas grill / side burner that when subject to normal residential use, it is free from defects in workmanship and materials for the periods specified below. This warranty excludes grills used in rental and commercial applications. This warranty excludes surface corrosion, scratches, and discoloration which may occur during regular use. It does NOT cover labor or labor related charges. There will be shipping and handling charge for the delivery of the warranty part(s).

COMPONENT WARRANTY PERIOD

Cooking Grids (no rust or burn through)	5 years (limited)
Flavorizer Bars (no rust or burn through).....	2 years (limited)
Electric/Plastic Components	2 years (limited)
Ignition systems/Valves	1 year (limited)
Stainless steel frame/housing	Limited Lifetime
Stainless Steel Burners (no rust or burn through).....	Limited Lifetime

Our obligation under this warranty is limited to repair or replacement, at our option, of the product during the warranty period. The extent of any liability of Coyote under this warranty is limited to repair or replacement. This warranty does not cover normal wear of parts, damage resulting from any of the following: negligent use or misuse of the product, use on improper fuel/gas supply, use contrary to operating instructions, or alteration by any person other than a factory service center. The warranty period is not extended by such repair or replacement.

Visit www.coyoteoutdoor.com for additional information

COYOTE OUTDOOR LIVING

Coyote Outdoor Living was conceived to bring to market a suite of products that allow consumers to create the outdoor kitchen of their dreams.

The cornerstone of the lineup is the Coyote grill. In all of the available barbeque models, the Coyote grill marries solid construction with strong aesthetics and remarkable performance. Designed to endure, the Coyote grill will be the heart of the outdoor living space. The ease of use coupled with a great cooking performance makes the Coyote grill a must have for your outdoor kitchen.

To compliment the grill, Coyote Outdoor Living offers a branded living space that will aesthetically and functionally enhance all outdoor cooking areas. The current Coyote outdoor offering includes a broad range of storage solutions, secondary cooking options, refrigeration, and more.

Whether you are creating an intimate outdoor cooking oasis or an extravagant outdoor kitchen design, Coyote has the product to make your space the envy of the neighborhood.

CHARCOAL GRILLS

Many outdoor cooking enthusiasts appreciate how charcoal grilling and smoking can almost seem poetic... the slow cooking, the importance of precision temperature control, the natural smells; the style is truly a culinary art form. Coyote Outdoor Living's charcoal grills and smokers bring our promise of passion, design and value to this art form.
